Turnure Medical Group

Healing Grove Health Center

Concierge Family Medicine, Internal Medicine, or Med-Peds Physician

Rocklin/Sacramento/San Jose CA

Description

Healing Grove Health Center (HGHC) and Turnure Medical Group (TMG) are established, successful, concierge practices and we are seeking a Board-Certified Internal Medicine, Family Medicine, or Med-Peds Physicians to join our growing practice and provide dedicated high quality, personalized care for new patients in Rocklin, Sacramento, and San Jose, California. The TMG site in Rocklin is focused on concierge primary care and urgent care, while the HGHC location nearby in Sacramento serves a large Afghan refugee population that resettled in this region following the U.S. withdrawal from Afghanistan. Our San Jose site cares for everyone from wealthy concierge patients to recently immigrated Central Americans.

About Us:

- The HGHC/TMG mission and three pillars are: To Share the Love of Jesus, through Healthcare, Soul Care, and Culture Care in order to bring the healing of the nations to our community.
- The HGHC/TMG Concierge Medical practice model restores the simple and powerful vision that the relationship between a physician and a patient is foundational to high quality primary care.
- Our experienced primary care physicians are experts in science-based Western medicine, and we work hard to find the best treatment for each patient's unique needs.
- Our team is dedicated to creating better health outcomes by building deeper, more lasting connections to our patients and following a holistic approach to help our patients achieve their fullest, healthiest lives.
- Our physicians have significant input on their schedule and determine the length of an appointment based on the needs of each patient.
- HGHC/TMG is committed to creating a working environment that leverages the strength of each physician and supports a healthy work-life balance.

Geographic Location:

The Healing Grove Health Center has two sites in the Sacramento area, and our physicians share time at both sites. The Arden-Arcade site is focused on caring for Afghan refugees, while the Rocklin site is focused on concierge care for wealthier patients. As the state capitol, Sacramento boasts one of the most culturally and racially diverse demographics in the nation. It is also within driving distance of Lake Tahoe, Napa Valley, and San Francisco.

Healing Grove San Jose is located in San Jose, just a few blocks from downtown, in the heart of Silicon Valley. It is in the Washington/Guadalupe neighborhood, a charming and vibrant community of Spanish-speaking immigrants from Mexico and Central America. Just a few blocks west is the upscale neighborhood of Willow Glen. This site cares for everyone from wealthy concierge patients to recently immigrated Central Americans. People who live here can easily drive to San Francisco, Santa Cruz, Napa, and Monterey.
